Livestock Commission

SCOTTISH HIGHLAND SALE

SEPTEMBER 12, 2026 • 10:00 AM

HOWDY & WELCOME!!

Welcome to Hamilton Livestock Commission's Special Highland Cattle Sale!

From all of us here at Hamilton Livestock Commission, we want to say WELCOME and thank you for joining us for our Special Scottish Highland Cattle Sale!

We know some of you came from right down the road, while others traveled many miles and crossed a few state lines to be here. Some of you are joining us from home and bidding online. No matter how you got here, we are sure glad to have you.

To all of our consignors, thank you for trusting us with your cattle and allowing us the opportunity to represent you. We know how much time, work, pride, and dedication goes into raising these cattle, and we don't take your trust in us lightly.

To all of our buyers and bidders, whether you're sitting in the stands, standing along the rail, or bidding online from miles away—thank you! We appreciate every hand raised, every bid made, and every animal that leaves here headed to a new home.

If you're here just to look, learn, visit, or see what these Scottish Highlands are all about, we're especially glad you came. Maybe you've been raising Highlands for years, or maybe you're thinking about buying your very first one. Either way don't be afraid to ask questions and visit with the folks around you. There is a whole lot of knowledge under this roof today—and most livestock people are more than happy to share it. That's one of the things we love most about the livestock business. It's not just about cattle, it's about people.

It's about the friendships made over the years, the families working side by side, the handshakes after a deal, the stories told around the pens and welcoming the next generation into an industry we all care so much about.

We are proud to have every one of you here with us today. Whether you're a seller, buyer, bidder, breeder, first-timer, longtime customer, online viewer, or just came to see what all the excitement is about—you are part of what makes a day like today special.

So, take your time, look through the cattle, visit with old friends, make some new ones, and enjoy yourself.

**From our family here at Hamilton Livestock Commission to yours,
THANK YOU FOR COMING!!!**

HLC

Hamilton Livestock Commission, located at 2525 N US Hwy 281 in Hamilton, Texas, is a major livestock marketing hub for the region. The barn hosts regular auctions for cattle, sheep, goats, and more—supporting fair trade, competitive pricing, and the local agricultural economy. Sales draw ranchers from across Central Texas and beyond, creating a strong community atmosphere and promoting solid livestock practices.

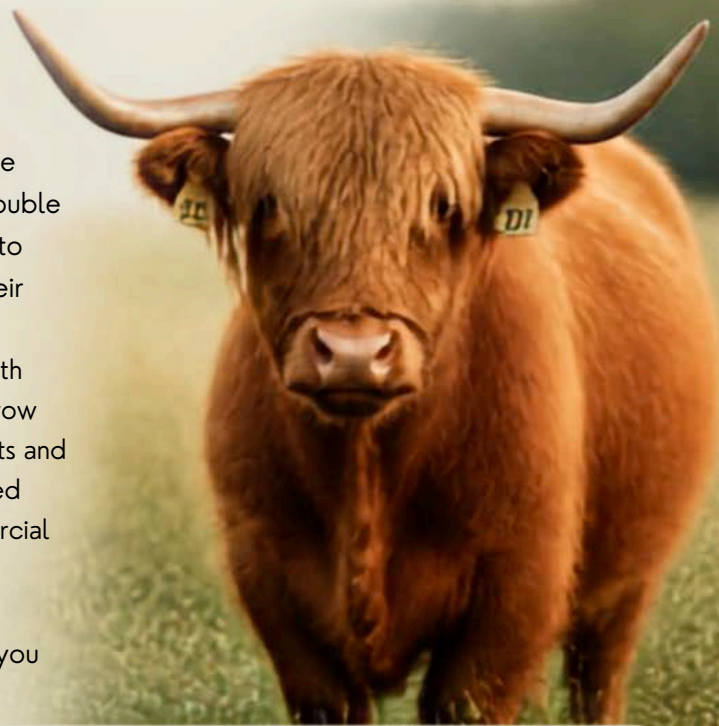

Owned by David Graham and Donna Graham-Lee, Hamilton Livestock Commission is powered by a skilled team of many dedicated employees. General Manager Derek Poe leads daily operations, while Office Manager Sara Parrish oversees the administrative backbone. Together, this experienced crew keeps the barn running smoothly and professionally for buyers and sellers alike.

Highland Cattle

Highlands may look unique, but that's exactly what makes them valuable. As one of the oldest registered cattle breeds, they were shaped by centuries of survival in rugged Scottish terrain. Their double hair coat keeps them warm even in extreme cold, allowing them to marble naturally on grass instead of relying on high-cost feed. Their beef is consistently lean, tender, and nutrient-dense.

Highlands are gentle, intelligent, and easy to handle. They calve with ease thanks to small birthweights, and their rich milk helps calves grow quickly. Their longevity and strong fertility mean fewer replacements and more long-term productivity. Highlands come in multiple recognized colors and fit beautifully into family farms, homesteads, and commercial herds.

If you want cattle that combine beauty, hardiness, efficiency, and premium beef quality, Highlands are one of the best investments you can make.

Buyer Information

Welcome to our sale! Please remember to check in with the office for your registration. If you're not yet registered as a buyer, our team will assist you in signing up. For those already registered, please visit the office to receive your buyer number for the day.

After the sale, ensure you bring the consignment numbers of your purchases to the office for payment processing. We accept payments via **check, cash, or credit card**, with a **4%** processing fee for credit card transactions. Thank you for participating, and we hope you have a successful buying experience!
